My favorite quotation from the Little Prince

- In Slovak:

Ty si pre mňa zatiaľ len malý chlapec podobný státisícom iných malých chlapcov. A nepotrebujem ťa. A ani ty ma nepotrebuješ. Ja som pre teba iba líška podobná státisícom iných líšok. No ak si ma skrotíš, budeme jeden druhého potrebovať. Budeš pre mňa jediný na svete. Ja budem pre teba jediná na svete... – líška

- **In English:**

You are still nothing more than a little boy who is just like a hundred thousand other little boys. And I have no need of you. And you on your part have no need of me. To you I am nothing more than a fox like a hundred thousand other foxes. But if you tame me then we shall need each other. To me you will be unique in all the world. To you I shall be unique in all the universe... - fox
