## D.I.A.L. ENGLISH

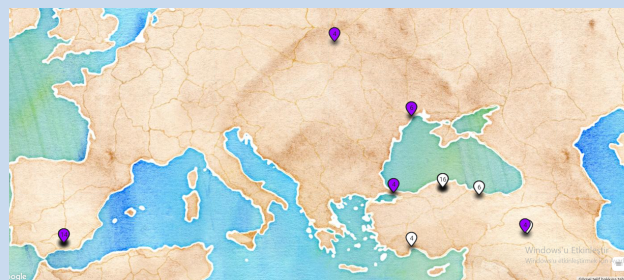

Different Intelligences  
Actively Learn English

## ABOUT THE PROJECT

"DIAL (Different Intelligences Actively Learn) English – project aims at diversifying English lessons with a great variety of activities related to the 8 intelligence types of Howard Gardner's Multiple Intelligences Theory. It also aims at increasing the motivation and success of students in English courses, developing their grammar, pronunciation, vocabulary, listening, reading, writing and speaking skills in English. Moreover, increasing students' communicative skills, learning about different cultures and using different Web 2.0 tools are other aims of the project. It lasted between September and May with 135 students from 4 countries.

## PROJECT PARTNERS

There are 11 teachers and 10 schools from 4 countries in the project.

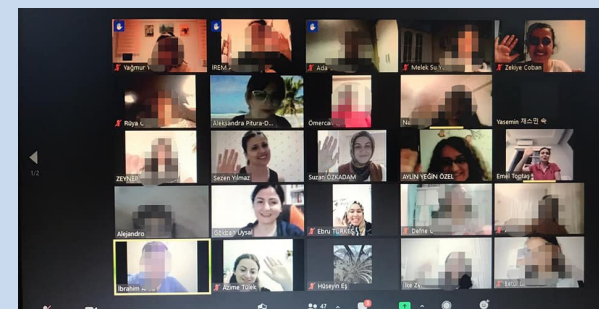

The founder of the project is Vali Aydın Arslan Secondary School in Kastamonu, Turkey.

## OUR STUDIES

- Mixed country groups were formed according to students' most dominant intelligence types.
- Each group prepared activities related to the learning outcomes stated in the curriculum with the guidance of their mentor teachers every month.
- All students did the activities prepared by different intelligence groups.
- Students took evaluation exams about the learning outcomes.
- Students, parents and teachers views about the project were observed with the first and post surveys.

## COMMON WORKS

- City Guide (An introductory book about the cities in the project)
- V1 & V2 Forms of English Verbs
- Acrostic Poem
