POLL

Fake news- final project: We need your opinion.

Hi everybody! Mrs Galli and I need your opinion. You now know that we invite you to create fake articles or merely posts on miscellaneous topics. Well, we would like to know what you prefer: choosing a topic among those suggested in 'Pages' (VIPs, Space and so on) OR choosing your own topic yourself: you could then work on fictional stories like kidnappings, UFOs, ghosts, car accidents, burglaries for example. Please keep in mind that you expect you to mix the groups. There can be up to 4 pupils in each group and you are allowed to write several articles or posts with your partners. So, what do you think? Please give your opinion by Friday 10th.

Isabelle Vallée

Hi everyone. Here you are invited to write your opinion about how to proceed. We will be delighted to respect your wishes.
