

SAINT-GENÈS-CHAMPANELLE

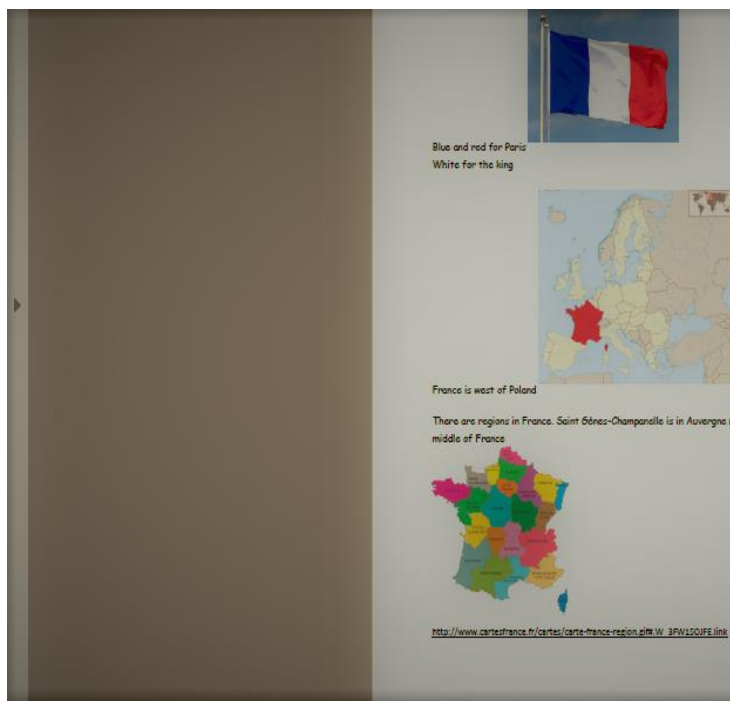

LES VOLCANS: PRIMARY SCHOOL

WHERE IS OUR SCHOOL?

Our school is in Saint-Genès-Champanelle, a small town close to Clermont-Ferrand (around 15km)

There are departments in France. Saint-Génès-Champagnelle is in Puy-de-Dôme. (63)

PRESENTATION MADE BY OUR POLISH FRIENDS TO
POINT OUT WHERE WE LIVE IN FRANCE.

NEARLY 300 PUPILS IN OUR PRIMARY
SCHOOL
AND MORE THAN 150 IN NURSERY
SCHOOL

We share the same playground,
but have 2 different entrances.

That's the main gate for the 11
classes.

GERALDINE MARION IS OUR HEADMASTER

Look! She's taking care of Golden Eyes!
She works half time in her class (28 CMI) and half time as our school headmaster.

Even if we are in a big school (11 classes), we don't have any secretary... We would like to, but no money for that!

OUR PLAYGROUND WITH DIFFERENT AREAS:
UNDER THE YARD.

PLAYGROUND: AROUND THE
HORIZONTAL BARS

PLAYGROUND: AROUND THE SLIDE

This slide is usually used by the children of the nursery school.

PLAYGROUND: AROUND THE TABLES

There are 3 tables in our playground, where we can draw, write or just seat and talk!

PLAYGROUND: THE MULTISPORTS FIELD

We are very happy with this sports field, because it's a new one, and we can play football and basketball!

PLAYGROUND: IN FRONT OF THE NURSERY SCHOOL

- During lunchtime, we share the playground with the children of the nursery school. This is nice, because we can play with our little brothers or sisters.

THE CANTEEN: NEARLY EVERYBODY IS EATING AT SCHOOL EVERYDAY

There are 2 services: one at 11h30 and the other at 12h30, because we can't eat all together in this room!

THE CANTEEN: LET'S VISIT OLIVIER'S KITCHEN

Olivier is the chef.
He's working with 2 other
people who are helping him,
preparing the meals.

IN THE CORRIDORS, NEXT TO OUR CLASSROOM

We worked on James Rizzi and draw our imaginary town.

We are lucky because our classroom is located in the brand new part of the school, where everything is nice and comfortable!

LIBRARY: EVERY TWO WEEKS, WE GO TO THE CITY LIBRARY
TO BORROW BOOKS AND LISTEN TO A STORY

ON WEDNESDAYS, IT'S CHORAL TIME: WE SING WITH MICHELE'S CLASS

We sing in a room, where the pupils of the nursery school are training (motricity room)

On this picture, you can see all the pupils of our school singing together on the first day of September: the welcome song!

BEFORE AND AFTER SCHOOL CLUB

- In the morning, we can arrive at school at 7h30, and spend time at the school day-care facility.
- And it's open until 19h in the evening for the children having parents working late.
