

Pokoloruj koła na taki kolor, jaki ma liczba przedstawiająca wynik działania.

A large green circle contains a central box with five numbers: 7 (red), 9 (yellow), 3 (purple), 6 (blue), and 5 (orange). Below the box are 15 smaller circles, each containing an arithmetic problem. The problems are: $9-3$, $3+4$, $5+2$, $3+3$, $0+3$, $2+7$, $4-1$, $9-4$, $10-5$, $2+3$, $3+6$, $5-0$, $10-7$, $9-2$, and $1+5$.
