

The play opens with two servants from the house of Capulet talking about the memes of Donald Trump and Rajoy in underwear, in the street of the house of the Montagues.

Act 1 Scene 1 :

Servant 1 Capulet : Hey have you seen the meme of Donald Trump?

Servant 2 Capulet : Which one? There are a lot of Trump memes.

Servant 1 Capulet : The one With the star sign of Trump like "you know Geminis are perfect?" and after you see Trump and he is Gemini.

Servant 2 Capulet : oh, Yeah I've seen it. And you, have you seen Rajoy's meme???

Servant 1 Capulet : Yes I've seen it too. But he is an idiot like Lord Montagues.

(the two servants of Montagues listen to the discussion and come to fight the servant Capulet.)

Servant 1 Montagues : What do you say about Lord Montague's ?

Servant 2 Capulet : He says he is stupid ! Why, is there a problem with that ?

Servant 2 Montagues : yes there is a problem !

Servant 2 Capulet: And what's the problem with that? Are you maybe jealous of how much better we are than you?

Servant 2 Montagues: Well, if you think so, I will make your face look like a snake because that's what you really are!

ACT 1, Scene 2

(servant 1-2) - What and how many memes do you want?

(Lord Montague)-you are ugly (not beautiful)!!!

(Lord Capulet) -Me??? Look at you? you are extremely ugly!"

(Paris) -hey father-in-law, I'm your girl's new boyfriend, can I have her hand?

(Lord Capulet) -yes you can, but come back in 2 years, after learning what politeness is !!! Are you rich???

(Paris) -yes extremely rich!

(Lord Capulet) -So yes I think 1 year is enough!

Act 1 scene 3:

Lady Capulet, the Nurse and Juliet.

Juliet: *(getting ready for the ball while talking with the nurse and her mother)* Why do I have to marry Paris? I don't love him and I want real love in my life!

Lady Capulet: *(putting her hands on Juliette's shoulder)* You know, maybe Paris is not that handsome but he's a millionaire!

The Nurse: I agree with what your mother said! Once married you can cheat on him or kill him and take all his belongings.

Juliet: So you are saying that it would be good for me to be Paris' wife because he has a lot of money and after the wedding I could cheat on him or worse kill him? It's bad to think that!

Lady Capulet: Of course it's a great idea and it's not bad! Why do you think that I am with your father?

The Nurse: My dear Juliet you are always so kind and naive ! You know, real life isn't pink and we have to make sacrifices in order to have what we want . What do you want for your future? *(she said that with kindness)*

Juliet: Hmm.. I want to be rich in order not to depend on anyone.

Lady Capulet: Hey that's a great idea! I'm proud of you! I will tell your father that you will be the wife of Paris!

Juliet: Wait! Yes, I want to have money but without depending on anyone and I also want real love in my life! I can't have that with Paris! What should I do? (*almost crying while saying the last sentence*)

The Nurse: (*hugging Juliet*) My little girl we all want real love but sometimes it is better to have something certain than to live with hope. Because hope can be paralysing. And when you get fake chances of gaining what you desire you pay less attention to yourself and more to what you want. And putting aside yourself depending only on an imaginary hope you have, makes you feel empty...

Act 1 scene 4:

Romeo, Mercutio and Benvolio

Romeo, Mercutio and Benvolio are on their way to the ball.

Romeo is drunk and crying like a baby, because he is feeling depressed about Rosaline.

Romeo: (*and between sobs he tells the others*) I can't do it! I'm nothing without her. I can't live without Rosaline by my side! (*and being too drunk he falls to the floor*)

Mercutio: (*Mercutio shouts at him*) Stop crying like a baby Romeo! You're not a child so behave like an adult! I'm tired of you!

Benvolio: You know Romeo, Mercutio is right. Stop crying. You will find another woman don't worry!

Romeo: But I don't want another woman! I just want to be with my dear Rosaline (*he continues crying*)

Benvolio: But why do you insist to be with this woman? She broke your heart!

Romeo: You don't understand because you never loved a woman before! You just like to sleep with a beautiful woman! You definitely can't understand me! (*Romeo shouts very loudly*)

Benvolio: And you can't understand me either man! If I do that it's my way to find a young woman I will love.

(Benvolio is upset and angry with Romeo's reaction so he shouts louder at him)

Mercutio: Calm down boys! Can you hear what you are saying? You don't have to fight like teenagers just for love and women! You're very ridiculous you two!

Romeo: You are right I don't have to criticize your horrible behavior! You take advantage of them and you sleep with young and pretty women !

Mercutio: What did I say before?! Didn't I tell you to stop fighting! And you! *(to Benvolio)* Haven't you said that Romeo is still acting like a little boy? Why do you?

Benvolio: OK you're right. I won't continue arguing with someone that just can't forget a woman that broke up with him. *(aggressively)*

Romeo: You know what Benvolio? You have been by my side to everything till now and I have been by your side as well. We act like brothers but I just don't get it why you are being so negative and aggressive towards me. I had a break up man! It's not easy to recover when you have been with someone for that long!

Mercutio: Boys please! We are getting ready for the ball here not going against each other!

Romeo: Mercutio is right. We are getting ready for the ball. But i still don't want to come.

Benvolio: Stop that! You are coming no matter what!

Romeo: But-

Mercutio: There is no but!

Romeo: UGH fine! *(he said that and turns violently toward the entrance hall)*

Act 1, Scene 5

Tybalt: *(to Romeo)* Why are you here?

Romeo: *(drunk)* Hey Tybalt!

Tybalt: *(to Lord Capulet)* Why did Romeo come here?

Lord Capulet: I don't know but, why not?

Tybalt: *(like a capricious child)* He can't stay here! His family is a shame!

Lord Capulet: *(with a patriarch voice)* Stop your caprice you're not a baby, it's time to grow up Tybalt.

Tybalt: *(walk straight away, upset and crashed into the column)* Ouch!

Romeo: *(stumbling, at himself)* who is this wonder?

Tybalt: Ah Ah Romeo it's time to fall

Romeo: What? *(while falling)*

Then he fell on Juliet and they kissed but not for so long.

Juliet: Get off me. *Juliet said while she was trying to push Romeo away (she thought that it was Peter)*

Romeo: Come here I still love you Rosaline, he whispered *(with a puppy face)* Romeo pulled her closer and they kissed. Juliet stayed in his arms without moving.

Romeo and Juliet: *(at the same time)* You kiss so well!

Romeo: Oh Rosaline! I saw you eating sweets

Juliet: Oh! Ah!

Romeo: ...

Juliet: I'm Juliet

Romeo: *(slowly a bit lost he repeats)* Yes I 'm Juliet

Juliet: yes so...

Romeo: *(quilkly whisper)* Oh you're Juliet excuse me!!!

Juliet: You're drunk?

Romeo: No, not at all

Juliet: *(raising her eyebrows)* Really?!

Romeo: Really ... Oh yes really

Juliet: Why are you here?

Romeo: (Like a bad gentleman) And you, why are you here ?

Juliet: Oh actually, I don't like balls but I had to come because I'm the child of Lady and Lord Capulet. But I loved the buffet, and I had to notice that this one is particularly tasty.

Romeo: (slowly a bit lost he repeats) Love buffet, don't like balls but had to come because child of Lady and Lord Capulet.

Juliet: (glad) Yes!!!

Romeo: (realising) You're Capulet's child?! You have to get married to Paris.

Juliet: Yes, I don't love him but he is a millionaire this is great for my business!

Romeo: (smiling) You are bad-mannered for a capulet! ,

ACT 2, scene 1:

Romeo tried to climb over the orchard wall into the Capulet's garden, but that wall was too big for him so he couldn't.

ROMEO : *(he moans about his life a lot)* "Oh! My! Why is it too difficult for me to see you again, my cinnamon roll?"

Determined, our handsome lover boy decided to dig a hole with a shovel at the wall. No sooner said than done, a big hole was dug.

ROMEO : *(he crawled like a snake in his bunny's hole. The wind blew and all the soil stuck to him due to sweat.)* "Oh! I feel a little ... Flagada!"

ACT 2, scene 2 :

Mercutio and Benvolio are trying to find him.

MERCUTIO: "Romeo! Romeo! Where are you ?"

BENVOLIO: "Romeo! Come! Stop hiding in trees and come with me and Mercutio!"

Romeo could not answer to their shouts because he was practically eating the soil.

Suddenly, Juliet appeared to her window. Romeo was under her balcony (full of soil and sweating too much) to listen to what she was saying.

JULIET: "My dear! You came! I was pining after you my brav...(The wind blew again and our poor Juliet smelled Romeo's unpleasant scent of sweat and she fainted) Ewrr..."

ROMEO: " Juliet ?!... *(he's paralyzed and he doesn't catch up on Juliet, so logically because of the gravitation force, she falls and breaks one of her legs. Romeo stays without moving, his mouth open and his eyes staring wide.)* Upsi dupsi..."

Romeo decides to go away and abandons Juliet.

ACT2, SCENE 3:

Friar Laurence walks to collect plants to make a Tik Tok when Romeo arrives, he laughs and says :

“Really ?! You make tik toks with your plants ?!

Friar Laurence : Yes, do you have a problem with my plants ?

Romeo : No, but you’re never gonna break with your poor plants !

Friar laurence : Don’t laugh, one day, me and my plants will be famous !
Anyway, why don’t you love Rosaline ?

Romeo : I asked her to buy a good leg of lamb on sale.

Friar Laurence : And ? What is the problem ?

Romeo : And she refused.

Friar Laurence : So you don’t love Rosaline because she didn't want to buy a leg of lamb on sale ?

Romeo : Less ridiculous than you and your plants “

Mercutio : Tybalt has challenged you to a duel !

Romeo : Ok! Let’s go and find him.

They were waiting for Tybalt in the garden of his house to do the duel.

Romeo : Where is your gun you don't want a duel, here I am !!

Tybalt : I want a duel so much ! But who said it was with guns ?

Romeo : How do you want to duel ?
