The Romanian Day of Education is a nice way for pupils and teachers to gather together and do fun things.

## **Toma Gabriel && Muraru Gabriel**

Celebrating the education is a great idea and we are glad to do it .We are very happy to do activities and that help us.We`re so glad to do it again.

We think that the Educational Day is important for us because we're learning new stuff in an attractive way. \*we're not doing classes today, so we love it ^^

#### **Dorobat Andreas**

Education Day is a very important day because it helps all those who benefit from education, many activities are done and children enjoy
