

Dear Diego,

So we got your message and fulfill your requests. We got your tickets for round-trip flight. We also made a reservation in Courtyard Prague City hotel in the city center of Prague. You've got reservation from 18th to 22nd March. You've got rooms number 34, 37, 42. We hope this won't be a problem, rooms are on the same floor. Half-board as you wished, meeting room, but Fitness centre isn't in hotel, but few minutes by walk. We think you would love walking in streets of Prague, even for a few minutes on your way to Fitness centre.

Public transport would be easy for you, because metro is just 50 m away from hotel. You can get anywhere by metro or you can use tram or bus. But don't forget your tickets that you can buy at ticket machines or at newsagents.

We also found a vegan restaurant Jaffa Restaurant. It's like 15 minutes away from the hotel. But you will appreciate the food, so we guess it's worth it.

If we can recommend you a few more interesting places you may want to see a Charles Bridge, Prague Castle or Golden Alley.
