1. THE HOTEL MERCURE LIEGE CENTER

This is the hotel where my business partner will stay during the business trip.

According to his requirements, I found this hotel with affordable prices (116€). Is a very decent hotel, it includes all the things you need, like hotel rooms, conference rooms, he have a pool table and a fitness room.

2. RESTAURANT BRUTAL LIÈGE

This is the restaurant where he's going to eat. It's a good restaurant, the comments left on this restaurant's profile, are positive and the people are excited to go there.

I chosed this restaurant because there is a very special menu. It's not expensive, it looks good, etc.

I thought about the occasion of his coming, to do some activities during these days. I thought I'd welcome him with a few visits through Liège in some beautiful places.

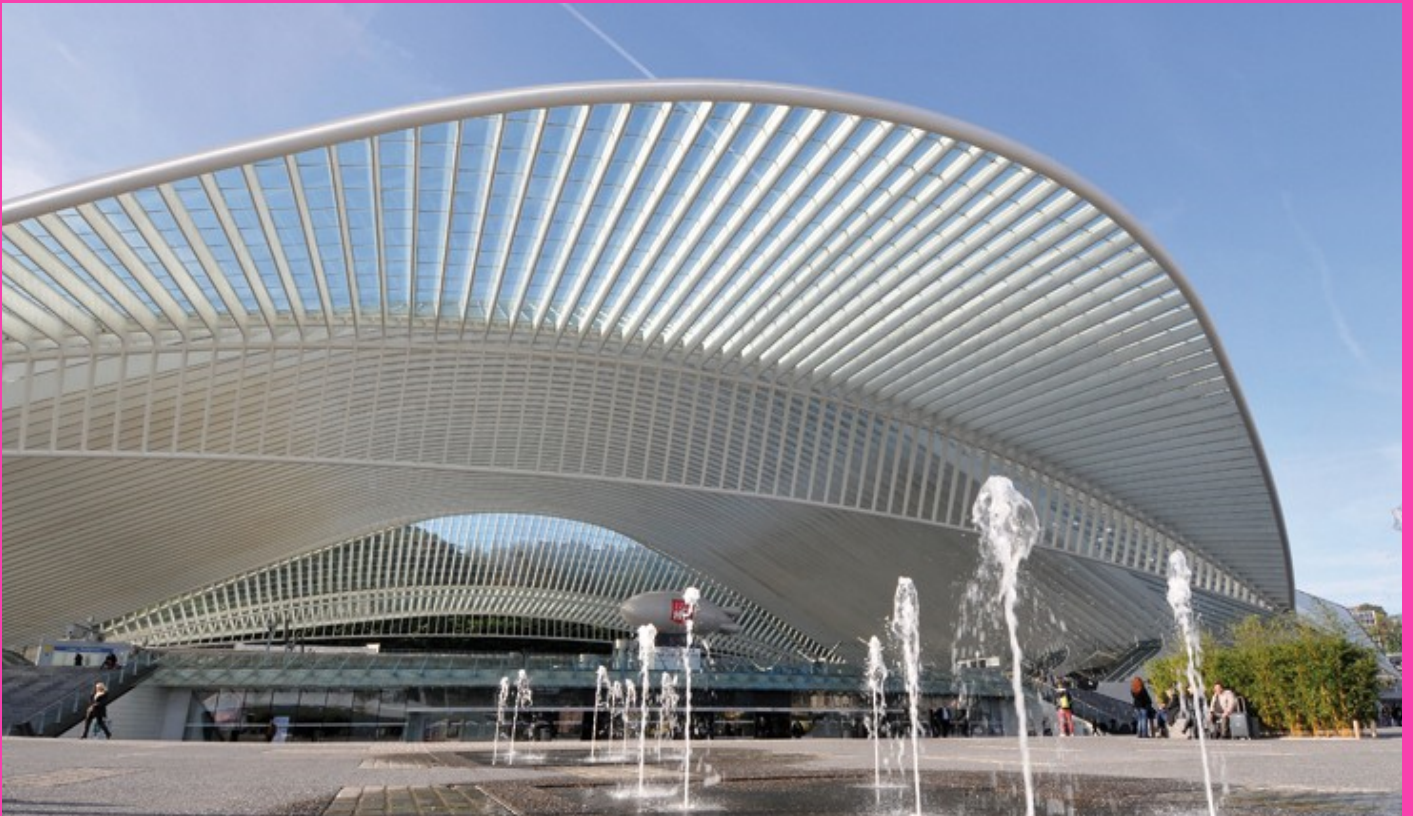

1. BOVERIE PARK

It is a place with a lot of greenery, with fresh air, with many flowers as we can see and the most beautiful view.

2. THE GUILLEMINS STATION

This station is known for the mini-shops inside, for the exhibition of Toutanckhamon and the trains that run there.

3. ROYAL OPERA OF LIÈGE

It is one of the three major opera houses in Belgium. There are the most beautiful shows.
