

Logbook

Thursday(23. Nov):

- **17.55**
Arrival
Ken arrived, it was a kind of strange, because at that point I realized, that he is the one, who will live with us./After it Drove home by car and we talked some about our topic „air pollution“./When we finally arrived at home we ate some meat and mashed potatoes.

Friday(24. Nov):

- **7.45**
We met in the Auditorium(all)./The teachers welcomed us and we became some Overview about the programme./The guests got a guided tour through school./After it we got some Introdution to project work./We watched a model debate from K.2./We did some workshops „Debating“.
- **13.00 – 14.00**
Sport session: We played three different kinds of sport. First we played Badminton, then we played some table tennis. After it we played Basketball. Finelly we played some Maxxle with all Erasmus+ students.
- **15.00**
We met in the Auditorium(all)./We talked and discussed: „How to make our cities more breathable“(Jan Lutz OK Lab).

Saturday(25. Nov):

- **8.45**
Meeting at bus station „Neelingen“./ I really liked that time, because I could sleep al least one hour more./ We slowly got a big group of friends there./ We made some funny jokes and head some musik./ It was a cool and funny morning.

- **9.40**
We visited the Daimler Museum./ We saw some really cool cars in it and we learned a lot about the history of Mercedes, about Carl Benz and Gottlieb Daimler./ There was a special exhibition of AMG driving performance./ I felt well because of this, because when I'm older I want to drive a Mercedes AMG.
- **11.30**
We played the MisterX game./I thought it would be interesting, but after a whole hour it got boring.

Sunday(26. Nov):

- **12.00**
Sunday was the day for the guests with the hosts./We visited a cave. We had to drive 45 min. Puhhh it was that boring.
- **14.30**
After we visited the cave, we visited the Uracher waterfall./ It was that cool, because we could go behind it.
- **18.00**
We bowled with the hole group.

Monday(27. Nov):

- **7.45**
Hosts were in school, while the guests got a guided tour through Stuttgart(normal school day).
- **15.30**
We met in the school hall(all), for some researches to our debates./We in our brochure-group made some photos, of all groups, for the foils, with the interviews.
- **17.00**
We baked some cookies in the kitchen of EKS./It was a funny evening, because we made some jokes.

Tuesday(28. Nov):

- **7.45**
Debates
We had our debates. It was impressive, because these groups had so many good and interesting arguments.
- **16.00**
Meeting in school hall, for Christmas market./It was a little sad, because it was the last day with our hosts, but you can't change it.

Wednesday(29. Nov):

- **10.00**
- **Deperature**(Ken left Germany)
