Erasmus+ "Work in progress – My logbook"　　　_____

Dear student,

in order to keep track of your project work you should keep **a logbook**. For each day, please

1. describe what you did on that day (activities, workshops, excursions…).

2. sum up what you have learnt about the topic "immigration".

3. describe and evaluate your project work, i.e.

   a) which steps you have already taken, and which steps you still have to take (see project plan) and whether your project work is going according to your set project plan.
   If not, what could you do to solve the problem(s)?

   b) your team work, e.g. your cooperation, your communication.
   In what way is it going well? What could be improved?

   c) what you have learnt in terms of project work.

Illustrate your logbook entries by adding e.g. pictures, photos, extracts from brochures, used tickets.

Of course, you can keep an online logbook.
