### 1.2. Topics and Agreements

#### Day 1

- Presentations of the participants
- Discussion about the details of the project. The coordinator revise the main goals of the project and the calendar of activities.

We evaluated the project in different areas:

- Quality of the transnational association
- **Project management**, leadership and quality

assurance (the use of Twinspace)

- Support for partners and participants
- Difficulties encountered and solutions
- Visibility of the project: reflect on activities you have done in your schools
- Use of ICT: have students worked with ICT?

## Day 2

- Visiting the school
- Presentation of the Polish Educational System, by Aleksandra Rafflewska
- Preparation of the mobilities with students.
- We agreed the dates of the mobilities with students:
  - Croatia, **29th march 2020 - 2nd april 2020**
  - Greece, **24th may 2020 - 28th may 2020**

We discussed about some details of the mobilities:

- The **accommodation** of the students will be on **families**. Schools will chose them and they will try to host in pairs (two from the same school).
- **Schools could travel with 6 students**, instead of 5, which is considered a good practice by the National Agencies.
- We agreed the task and responsables of each one:

Mobility to Croatia	
Workshops	Critical thinking techniques (Romania)

Debates	Brainstorming (all partners)
Sports competition/ contest/ activities	Croatia (PE teacher)
ICT contest	Kahoot about climate change (Poland)
