In this short term joint staff meeting we had a complete training programme. The programme began with a guided visit to Railway Museum and to Ercolanese Museum in the morning. In the afternoon the team took **Training session 1** at University of Portici- Agriculture Department.

It was the training Activity at University by Professor Mr Guido D'Urso " Water footprint of Food for a Sustainable Agriculture, Concept and Technologies" to train our team on basic environmental concepts.

On the second day we had an official welcome at the Italian school by School Authorities, School headmistress – Franca Masi and Regional Head of Ministry Education. The session continued with the presentation of the project by Ewa Marchinkowska, the Project Coordinator. Each school presented videos and multimedia diverse materials about their towns and schools.

The Italian coordinator, Gianna Barrella, presented dissemination of previous Erasmus+ projects KA1 "Smart European Pass and KA2 "Entrepreneurial mindset for Successful life". In the morning we had **Training session 2** in the Graphic Lab by Vincenzo Lauria -Graphic Art and Communication teacher about " The Right Ingredients and Strategies for a high quality Graphic Design". Later on we joined Ciro Sorrentino, the Construction and Technical Design expert on Instruments used in Environment Construction and Territory department. To end the morning, Gabriella Rotondo Science-teacher and the students attending the second-class B G had a CLIL lesson where the demonstration of DNA -Extraction in the laboratory was given. In the afternoon **Training Session 3** took place. The team worked on Etwinning portal, its sections , the twinspace , the collaborative spaces as well as Digital Tools to embed in the portal. This talk was given by Gianna Barrella – the Italian Erasmus+Coordinator and Etwinning Ambassador. Later on **Training session 4** took place during which the Spanish Coordinator – Karen Quill gave a lecture on "Integrated Curriculum and innovative pedagogy for K229 Erasmus+ and Etwinning".

The third day began with the visit to the Town Hall and meeting with mayor of the Cava de' Tirreni who gave a talk about the history of the town and its presence in the Italian history. In the afternoon the teams participated in **Training Session 5** in San Pietro –Cava. We visited "GREEN HUB" where we had some training on "Climate Changes", New

examples of Italian good practices . This session was given by the President of the association Legambiente Mr. Attilio Palumbo.

In the afternoon, 23rd November, the team held a meeting to agree on the implementation, organization of the tasks of each school and came to the following decisions:

via Prolungamento Marconi 84013 Cava de' Tirreni (Sa)

About the logo competition we have agreed to upload one logo for each country using a digital tool to vote and then to embed it on etwinning where we are going to cooperate and fill the pages of the project after Christmas. We will start and working on Environmental digital book about legends and stories of our territories with the use of story jumper.

The next meeting that is a short-term exchange of groups of students (C2), will be taken from 10th to 16th February 2019 in Nazilli – Turkey . The C3 will take place in Iasi- Romania around the second half of May. In Iasi we plan to bury a time capsule where students will store national objects to preserve and be opened in the future.

On the last day of the SHORT TERM JOINT STAFF TRAINING EVENT, 24th November, the team had a cultural visit Visit to Salerno where we could see the main tourist attractions of the city such as the Cathedral, the promenade and the main street. Later on we had **Training Session 6** during in which we had a guided visit to “Il Giardino della Minerva” - the Scuola Medica Salernitana history and learnt about officinalis herb.

The first meeting of the teams from Italy, Poland, Romania, Spain and Turkey finished with a farewell dinner when Certificates were given to participants by the headmistress of the Italian school - Mrs. Franca Masi and the Italian school coordinator - Gianna Barrella.
