I am tucky to be participate in this project The importance of collaboration between people from different countries on a common topic that affect us all. It has been satisfying to see how students can also learn on r I think the project is very beneficial because it makes you learn a tot
020 17:38:20 Yes 020 17:38:42 Yes 020 17:39:02 Yes 020 17:39:05 Yes 020 17:39:16 Yes 020 17:40:17 Yes 020 17:40:21 Yes 020 17:40:32 Yes 020 17:40:32 Yes 020 17:40:33 Yes 020 17:40:34 Yes 020 17:42:30 Yes 020 17:42:30 Yes	Yes Yes Yes No Yes	Yes Yes Yes Yes No Yes	Yes	8 9 8 9 9 10 10 10 10 8 8	10 Yes 10 Yes 10 Yes 8 Yes 10 Yes	Yes	Yes	Surely, I want to be a doctor, so when I grow up if people continue polluting there will be many diseases because of it, and I am actually aware of it. I think it helps you to improve your knowledge about climate change and if all of us just learn a little bit about this theme, we can make a better world stopping the global we Surely. I want to be a doctor, so when I grow up if people continue polluting there will be many diseases because of it, and I am actually aware of it. Yes, Erasmus Project can be beneficial in my academic future I was already quite involved in the subject of the environment and climate change but this project has made me more aware. This knowledge will serve me both for my pers I learned a lot of things. I improved my language This project improved my I/CT skills, inaquage skills. I took part in groupworks so I learnt how to cooperate with others and take responsibility. Besides now I know it is import. In this project i have learned to being sensitive about nature problems and i also improved my technical skills. I am lucky to be participate in this project. The importance of collaboration between people from different countries on a common topic that affect us all. It has been satisfying to see how students can also learn on r I think this project is very beneficial because it makes you learn a lot with my erasmus- participation certificate ic an easily participate in future erasmus projects at university i guess. this project gives you the opportunity to develop skills and get used to talking to the public

Besides now I know it is import in this project have learned to being sensitive about nature problems and i also improved my technical skills. I am lucky to be participate in this project. The importance of collaboration between people from different countries on a common topic that affect us all. It has been satisfying to see how students can also learn on r I think this project is very beneficial because if makes you learn a lot with my erasmus+ participation certificate i can easily participate in future erasmus projects at university i guess. This project gives you the opportunity to develop skills and get used to talking to the public A lot of new knowledge and experience, improvement of social, computer and language skills The taught a lot of things beneficial, for nature and the future, I would like all people to know what we have learned! During this project. I we made progress on my foreign language, ever had great experiences that IT in ever forget. I've seen new places and also known new cultures which in Besides all these, Green Alliance improved my perspective about nature and environmental issues. Thes
2020 17:38:20 Yes 2020 17:38:27 Yes 2020 17:38:28 Yes 2020 17:39:16 Yes 2020 17:39:16 Yes 2020 17:39:16 Yes 2020 17:39:16 Yes 2020 17:40:17 Yes 2020 17:40:32 Yes 2020 17:40:38 Yes 2020 17:40:39 Yes 2020 17:40:30 Yes 2020 17:40:30 Yes 2020 17:50:33 Yes 2020 17:50:33 Yes 2020 17:50:38 Yes 2020 17:50:38 Yes	Yes Yes Yes No Yes No Yes	Yes	Yes	8 9 9 8 8 9 9 10 10 10 10 8 8 10 10 10 8 8 10 10 10 10 10 10 10 10 10 10 10 10 10	10 Yes 10 Yes 10 Yes 8 Yes 8 Yes 10 Yes	Yes	Yes	Surely. I want to be a doctor, so when I grow up if people continue polluting there will be many diseases because of it, and I am actually aware of it. It think it helps you to improve your knowledge about climate change and if all of us just learn a little bit about this theme, we can make a better world stopping the global was Surely. I want to be a doctor, so when I grow up if people continue polluting there will be many diseases because of it, and I am actually aware of it. Yes_Erasmus-Project can be beneficial in my academic future. I was already quite involved in the subject of the environment and climate change but this project has made me more aware. This knowledge will serve me both for my pers I learned a lot of things. I improved my language This project improved my ICT skills, language skills. I look part in groupworks so I learnt how to cooperate with others and take responsibility. Besides now I know it is importance of collaboration between people from different countries on a common topic that affect us all. It has been satisfying to see how students can also learn on it it hink this project is very beneficial because it makes you learn a lot with my erasmus-participation certificate ic can easily participate in thure erasmus projects at university i guess. This project gives you the opportunity to develop skills and get used to taking to the public. A lot of new knowledge and experience, improvement of social, computer and language skills. I'm taught a lot of things beneficial, for nature and the future, I would like all people to know what we have learned. During this project. I've made progress on my foreign language. I've had great experiences that I'll never forget. I've seen new places and also known new cultures which m Besides all these. Great Project and results: This project showed me that different people can be together for a purpose. I realized what i can do for nature. Everything was so good. I am very happy to be in this project. Sure, because it's an european project, in
