Hello teacher,happy teachers day.

1-31 December 2020

Searching these questions "Which animal and plant species are now threatened with extinction? How many species? What are the percentiles(%) of these rates?". Shooting a short film about animals and plants. They will use some web 2.0 tools online and upload twinspace. They will watch wild animals on live cams in site <https://explore.org/livcams>

Teacher Marcella Corradini's Space

Her Students/Group can write and ask about activities. We can help them also
