Gymnasio Agias Varvaras- Cyprus

Before the visit: Did the coordinator of the sending school provided you with enough information before the visit? *

0	1	2	3	4	5
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>

During the visit: To what extent has the initial schedule been accomplished? *

0	1	2	3	4	5
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>

During the visit: comments on schedule, incidents (if any) *

No one

During the visit: to what extent are you (as a coordinator) and other host teachers involved in the job-shadowing visit pleased with it? *

0	1	2	3	4	5
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>

During the visit: to what extent has the job-shodowing visit had an impact on your school, teachers and pupils? *

0	1	2	3	4	5
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>

During the visit: comments on the impact on your school, teachers and pupils *

More teachers now want to the the same experience and the pupils want know more about the school in other European countries. The participation of the visitor teachers during the open day of the Italian school give to this event a special relieve.

Why did you decide to be a hosting school in this project? *

- to exchange experiences with teachers from another country
- to show methodologies, projects... that work well in our school
- to acquire new competences

Altres:

Which competences were acquired by teachers (visiting and hosting teachers) *

- linguistic competence
- social and interpersonal competences
- intercultural competence
- digital competence
- teamwork
- competence in new methodologies

Altres:

After the visit: sustainability: have you planned further projects, visits with the sending school? *

yes

no

not sure yet

After the visit: comments on sustainability: further projects, visits with the sending school? *

We would like to do a Ka1 experience and give us more energie to repeat a erasmus ka2

Any other comment?

Every thing was positive.
