How is inclusive education taught in our partner countries?

➤ Special education teachers mostly teach externally to the rule class

➤ Special education teachers teach multi-year small group (max 12) about 5-10 h outside the regular class

➤ special education teacher mostly external
➤ beginning teaching in teams

➤ special education teachers teach externally in small groups and in the classroom

Do you ever feel like this? Maybe a job-share is something for you!
