

# Parents information ERASMUS+

## Education development in terms of inclusion

### 1. WHAT does ERASMUS + mean ?

- Programme for education, youth and sports of the European Union
- Exchange programme among Cyprus, Greece, Finland & Germany in terms of „Inclusion“ and „Education of values“
- Title: „**Mirror, mirror on the wall**“

**Project scheduling:** 01. September. 2017 - 31. August. 2019

### 2. GOALS :

- Cooperation + Exchange of established practices in the field of education
- → How do other countries deal with the idea of inclusion?

### 3. WHAT should happen?:

#### Activities for all students :

Your child has the opportunity during this time through the project:

- to participate in a wide range of interesting activities around the subject
- to experience and learn about the partner countries
- to use the first English skills practically and to interchange ideas:
  - o in the form of correspondence with a pen friend
  - o via mail contact
  - o via video messages
  - o via skype
- to participate in the exchange of students in Finland or Cyprus (maximum 8 students)
- to create a joint audio book with the participating schools.

#### Activities for teachers :

- Interchange, Further education, Support of the project

### 4. We need parents – WHY:

- as „Idea giver“
- Support of the project days
- Public Relations
- „Host Families“ for accomodating guest students/teachers

We would be delighted to have an active participation of many interested parents.
