MARRIED WITH:
KATHARINA VON
BORA

DEATH:
18.02.1546
IN EISLEBEN

LIFE DATA

IN RELATION TO SAXONY-ANHALT

- after schooling in Eisleben, he studied jura at the university in Erfurt
- instead of a lawyer career, he prefers to become a monk and studies theology
- he becomes a preacher and professor in the Wittenberg university

DISCHARGE - COMMERCE

THE MONEY-MASHINE OF THE CHURGE

- M. Luther notes that instead of going to confession, people preferred to buy letters of indulgence to obtain their salvation.
- The letters of indulgence were very expensive and made the church and princely rich
- People bought the letters of indulgence because the priests said that this is what the holy Bible says to get rid of their sins
- Martin Luther doesn't like it

LIFE DATA

AND THE 95 THESES

- on 31.10.1517 he struck his 95 theses which the reformation of the church, with loud hammer blows to the door of the church in Wittenberg.
- Not all people liked the theses.
- In 1521 Luther had to flee. He lived on the Wartburg near Eisenach
- There he translated the New Testament into German from the Greek language in only eleven weeks. So the holy Bible was understandable even for ordinary people
- Luther added to the new Christian church
- Today the church order is still applied in the Protestant communities.

THE END

THE END:
