We built a begleri.	traditions from the partner countries	3-4

Goals:

- get to know traditions from the partner countries
- motor skills training (strengthening dexterity in construction and play)

¹ Entire text is translated from German.

Summary:

hour / topic	content	main emphasis	material	Feedback (difficults)
1-2h We built a Begleri.	→introducing the memory of the trip from Greece (Begleri) as "Greek Spinner" ² → make tricks → students make a begleri → they optionally use thick wool or braid the base → beads made of wood can alternatively be made of clay (greater variance) → short video message ³ to Greece	use connecting elements such as play to create interests in encounters	- wool or leather strap - wooden beads or clay - example (teacher)	- pupils very motivated - Sustainable is used by some of the Begleri

² Fidget Spinner was very popular with the students at the time
