As at our first meeting, to the project presentation with some parents discussed in September, offers the ERASMUS team of the school together with Mrs. Stypka, in her function as parent representative in this Area, for interested parents an information event.

If you would like to find out about the current status of the project or actively contribute your ideas to the planning, then we look forward to seeing you on the **20th of February 2018 at 6 pm.**

Please give feedback if interested

Best wishes

The team of the elementary school "Astrid-Lindgren" in Schkopau.
