

Europe day on 9.th of May 2018

On May 9th is Europe Day, which we will celebrate and design with our eponymous project day!
We would be very grateful for your support on this day in the areas:

- **BUFFET**

Maybe you can make a contribution for a European buffet for the children
(comparable carnival buffet)?

Whether Belgian fries, Dutch cheese, Swiss chocolate, English ginger biscuits - your ideas and arts
are in demand!

The delivery of food or drinks is again from 7:00 clock to 7:30 clock in the morning.

- **LANGUAGE**

Do you know people who can inspire our children with an European language
(except English) in the 1./2.hour ?

The foreign language can be presented, for example, with greetings,
welcoming and good bye phrases, numbers and colors and be motivated to speak
(about 15 minutes).

- **EUROPEAN CHAMPIONSHIP**

Maybe you can join us at our European Championship (at different stations) in the 3.-5.hour
(comparable sports festival)?

Would you like to contact us on other topics, such as sights, Greek mythology, music / musicians
from Europe, science and inventions, fairy tales from European countries (with material, ideas, etc.) ?

Write to us (erasmus-lindgren@t-online.de) or Mrs. Stypka (.....@.....),
we will inform you about the other topics.

Please give us your feedback by 06.04.2018!

Name from you child: _____ Class: _____

We would like to support the Europe Day as follows: _____

Contact: Tel.-Nr.: _____

or E-Mail: _____
