

Project day "Family" on 01.02.2018

The topic of "family" is not only a curriculum content of subjects Sciences, Ethics & English, but also a part of our project M²OtheW.

**Our family project day has the topic: "I'm proud of my family"
That is why we would like to work with you as practically as possible:**

Please support your child:

- With family photos that can be used for crafting from 29.01.2018.
- Maybe you, grandma or grandpa or other relatives / friends have time to go to school that day come and report from their past or from family traditions.
- Maybe baking, crafting, cooking, carving, crocheting, knitting, reading, writing or writing make music, etc. you like and could introduce your children to a passion and maybe also inspire one or the other
- Maybe you also work as a volunteer at the fire department, at the Red Cross, in the Senior care and could contribute on this day and your volunteer work show clearly.
- Maybe you also have a job that is exciting for our children could be practically imagined, e.g. Policeman, nurse, ambulance

Please give us your feedback until 19.01.2018! Thank you very much!

Name of the child: _____ Class: _____
