General Impression

General impression: please write at least two strengths (positive aspects) of this mobility. How do you feel now about our partnership? Positive aspects:

All the activities organised during the mobility were particularly well-adapted to the project and responded to the topic of sustainable development. Moreover, the workshops allowed the students to collaborate and communicate together in various ways.
I would also like to insist on the great organization and management of the mobility by Rallou, the Greek coordinator : the programme offered a choice of activities that mixed pedagogy and fun as well as the discovery of the island of Lesvos.
Moreover, the Greek host families welcomed our French students in a particularly friendly way.

General impression: please write at least two weaknesses (negative aspects) of this mobility. How do you feel now about our partnership? Negative aspects:

No negative aspects.
