

Roue libre :

Goals of the organization :

- ➔ Promote the use of bicycles in urban areas.
- ➔ Participate in urban planning in Chambéry.
- ➔ Teach people to repair their bikes on their own.
- ➔ Reduce pollution in the city.
- ➔ Social goal : anybody can come to the workshop.

On the other hand, they don't lend bikes.

Creation of the organization and their volunteers :

Creation :

1992 : Creation of the organization by Pierre Lortet.

1999 : Creation of « l'Antenne Rou-Libre » in Albertville.

2004 : Creation of « l'Antenne Roue Libre » in Aix-Les-Bains.

2006 : 1st workshop created in Barberaz.

2008 : Moving to « la vélobricolade » in Chambéry.

Benevoles :

750 volunteers.

You can join the organization from the age of 12.

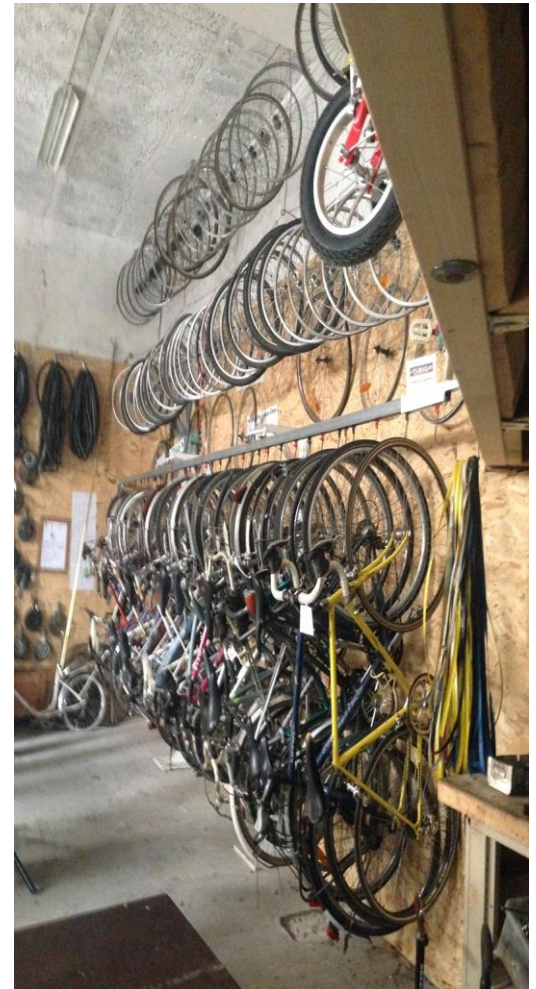

They help 15 to 20 people per day who come to the workshop for different reasons.

There are only 2 employees.

Financial help :

- Financial help from the city.
- Financial help from the volunteers.
- Selling of bikes. (Recuperation of old bikes)
- Donations. (rare)

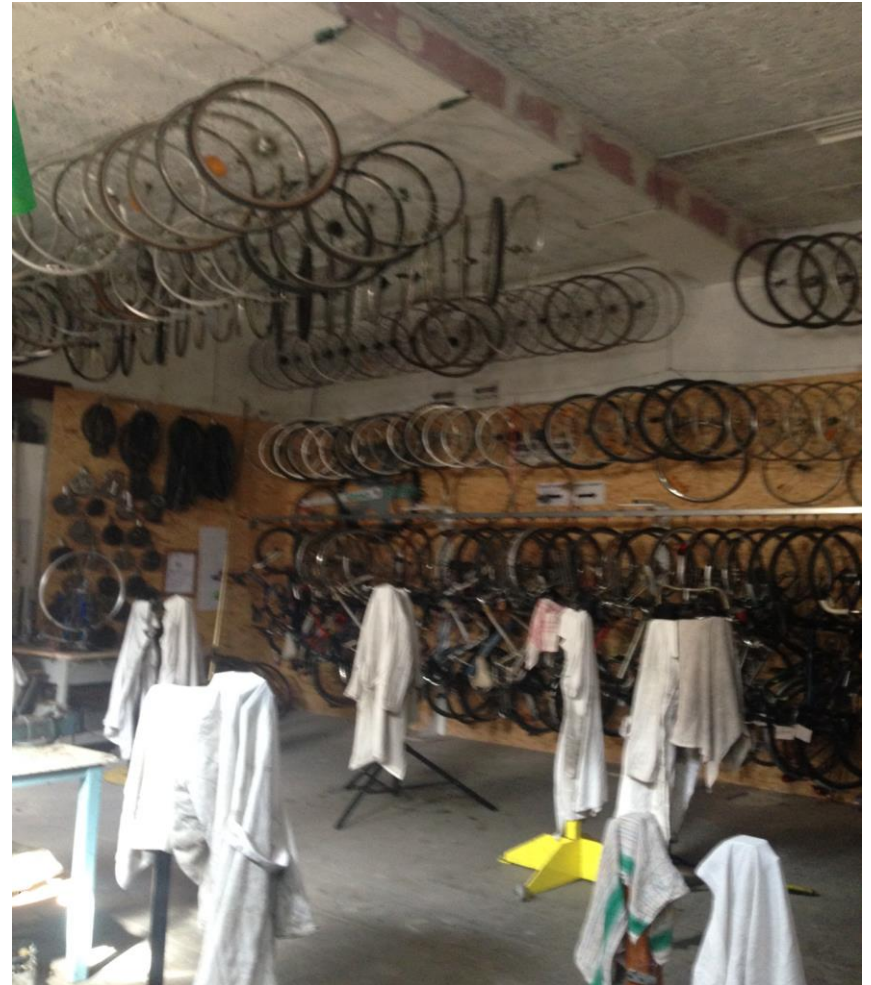

Why bikes instead of cars ?

- ➡ Less pollution.
- ➡ Freedom to ride wherever you want .
- ➡ Natural and cheaper means of transport.
- ➡ No traffic jams, and no parking problems.
- ➡ Riding a bike is safe on cycle paths.

What studies ?

- Need a BAFA
- A sports diploma.

The Vél'osons :

→ The organization receives travellers who have travelled around the world to speak about their experience in front of an audience.
