

# MOONCHOCOLATE

You'll understand, when you taste it...

# ABOUT US

- When creating our chocolate, we use all natural ingredients. Processed chocolates are taboo for us. In fact, every single chocolate bean we use is handled by us personally as we carefully select our beans in 3 stages.
- We are travelling a most difficult and adventurous journey, and we take pride in the path we have chosen
- Our czech company wants to make our customers know, that we are trustworthy and we care about quality of our products.
- We create chocolate bars, chocolate bombs, chocolate on a sticks,
- Everything is homemade with love

# PRODUCTS

## CHOCOLATE BAR (5 kinds)

- Hazelnuts and almonds (1,90 €)
- Oreo (1,90 €)
- Milk (1,50 €)
- White (1,50 €)
- With dry fruits (1,90 €)

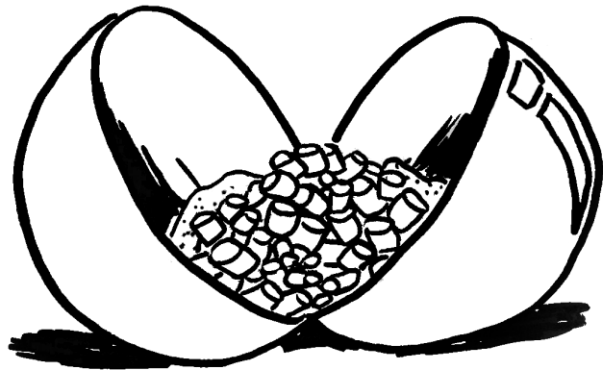

# PRODUCTS

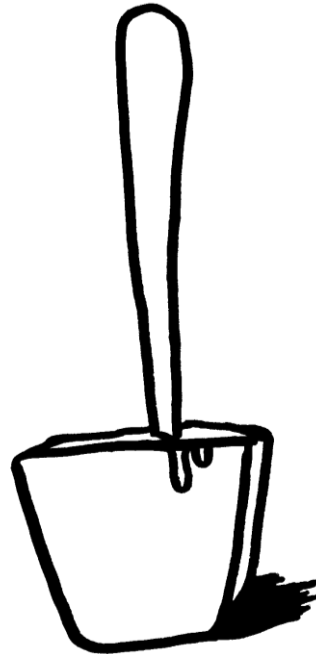

## CHOCOLATE BOMB (1,70 €)

- Are cute lil balls of chocolate that you put into a mug.
- When you pour hot milk into the mug, the chocolate melts and magically releases the marshmallows and cocoa hiding inside.

# PRODUCTS

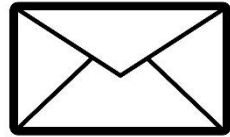

## CHOCOLATE ON STICK (1,70 €)

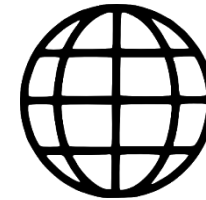

- Hot Chocolate on a Stick is a creamy chocolate confection that is much like an ultra-rich fudge.
- You can, as the new title indicates, put these blocks of chocolatey goodness on sticks for ease in swirling **it** in hot milk or nibbling
