

A large, textured orange splash with the text "Honey Pop" in the center. The splash is irregular and has a watercolor-like appearance with some darker and lighter orange tones. The text is white and bold, centered within the splash.

Honey Pop

About us

- We're a small student company producing and selling honey-based sweets
- We support local beekeepers
- Our products are high quality and also affordable

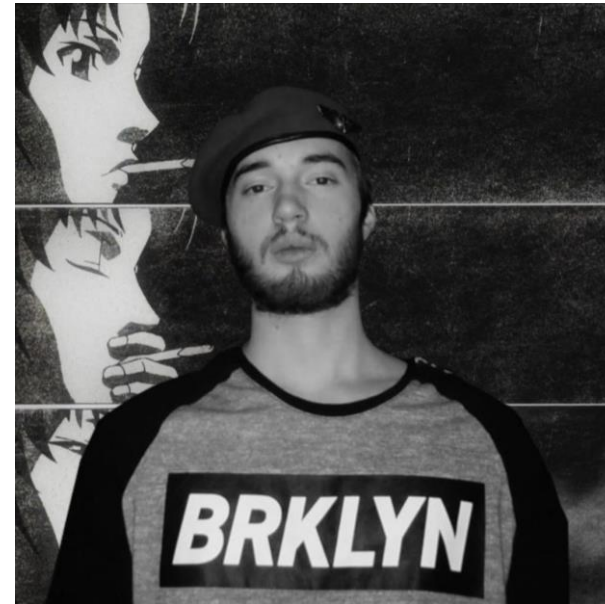

Our team

Sebastian Dolíhal
marketing worker

Denisa Zezulová
director

Martin Buchmaier
production worker

Kryštof Koukal
administrative worker

Our logo

Our slogan

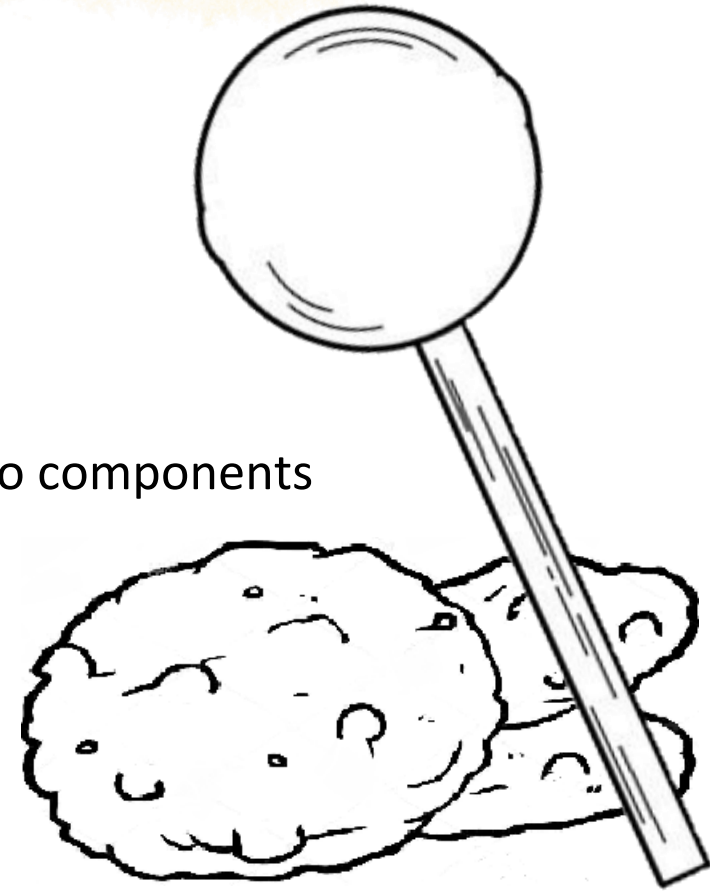

- Our slogan is pretty straightforward and simple

roughly translated as:

*'There is not as much **love** in the heart, as **honey** on the tongue.'*

Products

- We are based around honey lollipops and biscuits
- Everything is made out of the best possible ingredients
- We only get honey from local smaller beekeepers
- Our products are a brand new part of the market
- We try to be eco-friendly as much as we can, therefore we use only bio components
- From a hygienic point of view, we first pack both sweets into plastic foil and then into a paper bag
- The price of a single lollipop is around **0,76€** and a biscuit is **0,38€**

Contact

There is not as much love in the heart as honey on the tongue

We offer

Honey lollipops and cookies
