What do you need to write on your CV ?

1. Your personal details including : address, mail, phone number and social media.

2. The title of your degree/job (e.g.: English teacher, receptionist, resort representative)

3. Your profile: a few lines about you, your personality and your identity at work)

4. Your work experiences: the exact names of the positions you had in former companies, or training experiences.

5. Education and qualifications (the schools you were in and the degrees you got)

6. Your skills (what you are good at, your abilities)

7. Your personal interests (what you like doing after work, your hobbies)

You can use CANVA to get a nice page setting or use one of the online CV creators. One of them is here: https://europa.eu/europass/en/create-europass-cv
