

Dear Anestis Papadopoulos,

I am writing in response to your advertisement, which was published in "Real News" connected with a job offer. I am very interested in it and I would like to apply for the position of teacher.

I have just finished the university. Moreover I speak English and German fluently.

I give an impression of reliability and friendliness in all my deeds. I always keep my head in an emergency and find it very easy to co-operate with other people.

In addition, I am a creative person with big imagination and thousands of ideas in one minute. This makes me a suitable person to work as a teacher. I am extremely dedicated to my work and always give my best shot.

For all these reasons I believe I would have much to contribute and would certainly acquit myself well of my duties.

I would be very grateful if I could be asked or coming for the interview.

I am looking forward to hearing from you

Yours faithfully,

Marios Ziogas
