Dear Sir/Madam tour guides,

I was very interested in the job. I am writing to apply for a job in the Space Tour. I love the space, every night I go to see stars and the moon, it is very beautiful. My dream is to go to space, in the space you can see the stars very well and they're beautiful.

If I go to the tour, I will be the best tour guide. I am hard-working and a good communicator. I study a degree of Tourism. I have experiences of tours in my country and in a museum of Madrid.

I very much hope you select me as a tour guide. I look forward to hearing from you.

Yours faithfully,

Jose Pascual Barcelo Barcelo
