

Hello dear eTwinning friends!

Here in Italy, we are so happy to collaborate with you and we are

really happy to take part in the Code Week 2019!

We ❤️ coding and, above all, we ❤️ coding with friends!

We want to send you a coded drawing message about how we feel in this period.

Are you ready to encode it?

You have to colour each square of the grid using the colour we indicate in our code. We give you the code row-by-row. And for each colour we tell you how many squares you have to fill in.

So let's start!

How are we in this period?

We are ...

					5 <input type="checkbox"/>
					1 <input type="checkbox"/> 1 <input checked="" type="checkbox"/> 1 <input type="checkbox"/> 1 <input checked="" type="checkbox"/> 1 <input type="checkbox"/>
					5 <input type="checkbox"/>
					1 <input checked="" type="checkbox"/> 3 <input type="checkbox"/> 1 <input checked="" type="checkbox"/>
					1 <input type="checkbox"/> 3 <input checked="" type="checkbox"/> 1 <input type="checkbox"/>

And now... can you encode what we think about coding with friends?

We coding with friends

									9	<input type="checkbox"/>								
									2	<input type="checkbox"/>	2	<input checked="" type="checkbox"/>	1	<input type="checkbox"/>	2	<input checked="" type="checkbox"/>	2	<input type="checkbox"/>
									1	<input type="checkbox"/>	7	<input checked="" type="checkbox"/>	1	<input type="checkbox"/>				
									1	<input type="checkbox"/>	7	<input checked="" type="checkbox"/>	1	<input type="checkbox"/>				
									2	<input type="checkbox"/>	5	<input checked="" type="checkbox"/>	2	<input type="checkbox"/>				
									3	<input type="checkbox"/>	3	<input checked="" type="checkbox"/>	3	<input type="checkbox"/>				
									4	<input type="checkbox"/>	1	<input checked="" type="checkbox"/>	4	<input type="checkbox"/>				
									9	<input type="checkbox"/>								
									9	<input type="checkbox"/>								

Have you enjoyed these activities?

Would you like to share some coded drawings with us?

We are looking forward to try to encode them!

We are also working hard to try to write the code for reproducing the pixel art version of a masterpiece of one of the most famous Italian artists... but it is really hard ... we need more time to do this!

See you soon in the twinspace!
