Do you consider that your participation in this mobility was positive or negative? Why?

29 risposte

Positive because I learned a lot of new things

positive because acquiring new knowledge is very important for our future.

positive

Was positive because it was able to communicate with other people from other countries.

Por um lado negativo, pois não sei falar muito bem inglês, como já mencionei.
Por outro lado positivo, porque fizemos um trabalho bom e gostei de visitar e mostrar o que fazemos.

Positive, I encouraged the participants

Positive

Positive because i could meet new people from other countries and see other culture
