

Hi my name is Oliwier Bielecki. My favourite sport is football. I go training and play in the club Sparta Rejowiec Fabryczny. In this sport I play as a striker. In my town there is a football stadium on which matches are played and a small playground Orlik where I play with my friends. I am very happy to shoot goals. My favourite football team is FC Barcelona, I would in the future be famous and a good football player and play for this club.
