### During the meeting:

#### Step 1

**The students introduce themselves and then tell each other about Corona regulations and their situations concerning these spheres:**

- personal life
- school
- public spaces
- digital spheres

(Done with the help of the mentimeter poll results and word cloud from the students' school)

**The students from another school take notes:**

- Germany on Finland
- Finland on Poland
- Poland on Sweden
- Sweden on Latvia
- Latvia on Estonia
- Estonia on Germany

#### Step 2

Students discuss aspects of the Corona pandemic restrictions in smaller groups.

#### Step 3

The students are invited to share their experiences during the meeting.
