

# Application Assignment:

## Why I Want to Take Part in the project **Our Spaces** Tallinn, Estonia 2019

Our project is set up between 6 schools from countries around the Baltic Sea (Estonia, Germany, Latvia, Poland, Finland and Sweden). We want to investigate and improve our spaces together, and we are going to do this during a workshop in Tallinn, Estonia.

We believe that a major social responsibility of all citizens is to help create well-designed, -maintained, inclusive and safe shared spaces that allow social mixing, civic participation, recreation, and a sense of belonging. Accordingly, we want students to develop concepts for some of these spaces and contribute to making these spaces more attractive for a variety of users and purposes. By exchanging ideas and comparing perceptions with other young people from different countries, diverse ways of designing and using shared spaces can be utilized.

**Do you want to come with to Estonia (2019-11-04 to 2018-11-09)** and work together with students from five other countries? The trip is **free of charge**. All you need is your passport and an outgoing attitude.

Write a **short essay or create a film** about why you should take part in the conference.

- Write a short **introduction** where you introduce yourself briefly.
- **Explain** why you want to join the conference and why you think this would be a good experience.
- **Describe** what a conference like this might lead to in the future - for the people who take part and in a wider perspective.

The 9<sup>th</sup> grade teachers will decide who are to take part based on the application and your general schoolwork.

Send your application to [maja.back-lakic@skola.uppsala.se](mailto:maja.back-lakic@skola.uppsala.se). We need your application by the 1st of October.
