

What do you like to wear?

Me: I normally wear comfortable clothes which fit me and look nice, like a hoodie or a T-shirt depending on the season with a jeans in colors like orange or black

Parents: My mother liked to wear boots and skirts, preferably in the colors green or purple, while my Father wore jeans and T-Shirts

What do you do in your spare time?

Me: If I've finished my tasks I like listening to music and chill. I also play music in an orchestra, or go sailing as a hobby.

Parents: We went to the scouts, played tennis, volleyball and theater, went kayaking, and repaired bikes (Dad).

What do you like to eat?

Me: One of my favorite dishes is pizza, but I also like pasta

Parents: My father liked to eat Toast-Hawaii, my mother's favorite was schnitzel with potatoes

Where do you go shopping?

Me: I often buy things on the internet, but when I'm in the city I also like to go in the stores and look at the things.

Parents: We didn't do much shopping, but the two biggest go-to stores in our area were Quelle and Karstadt when we were young.

How do you communicate with others?

Me: I mainly use WhatsApp to communicate with my friends, when I can't directly talk to them and for chatting while playing video games.

Parents: At our time we could only use the telephone or write a letter, otherwise we talked to the person.
