

## 2. Projektteil

1.

I usually just wear basic stuff like a hoodie with a jeans.

2.

In my freetime I like playing football.

3.

I like eating steak with fries.

4.

When I go shopping, I go to the local supermarket in my village.

5.

Usually I write a message with Whats App or I phone with my friends.

I interviewed my dad the following questions:

- What kind of clothes did you wear?
  - I usually wear jeans and a t-shirt and pretty often clothes to work with like wellingtons.
- What did you do in your free time?
  - Most of the time I helped my parents on our farm and I also played football sometimes.
- What did you like to eat?
  - My favourite food is Cordon Bleue with potato salad.
- Where did you go shopping?
  - When I needed something I drove with my bike to the supermarket in our neighbor city.
- How did you communicate with your friends?
  - Either I phoned with them or I just went to their house and talked to them personally.
