Change your mind 4.0

Photos with smiles of our students, teachers, assistants from our school !We place them out of our school gate giving an optimistic message!

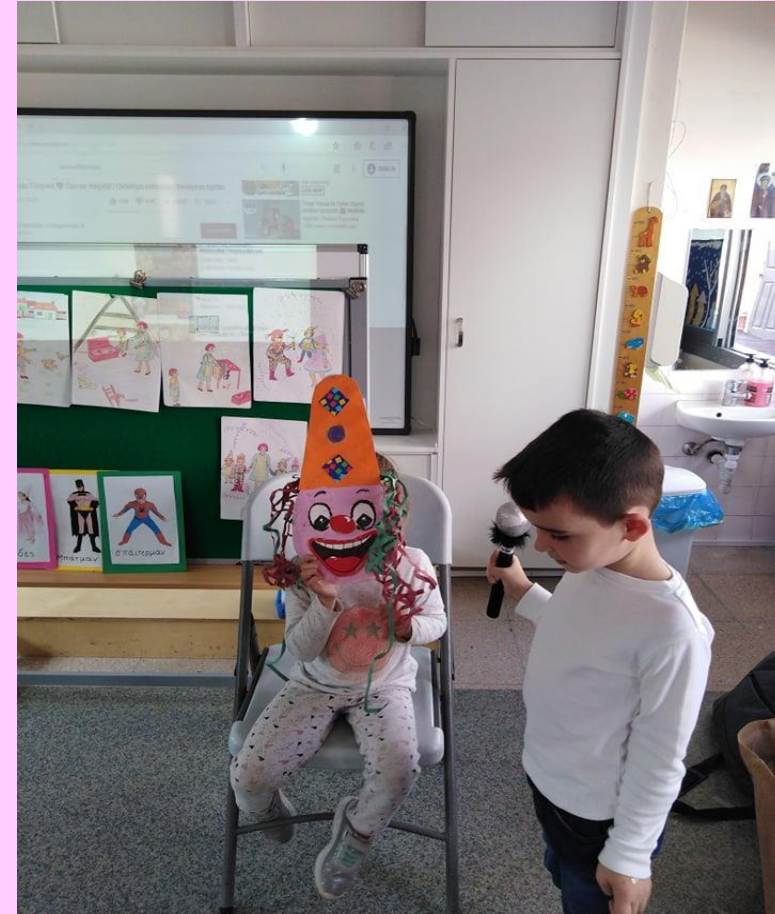

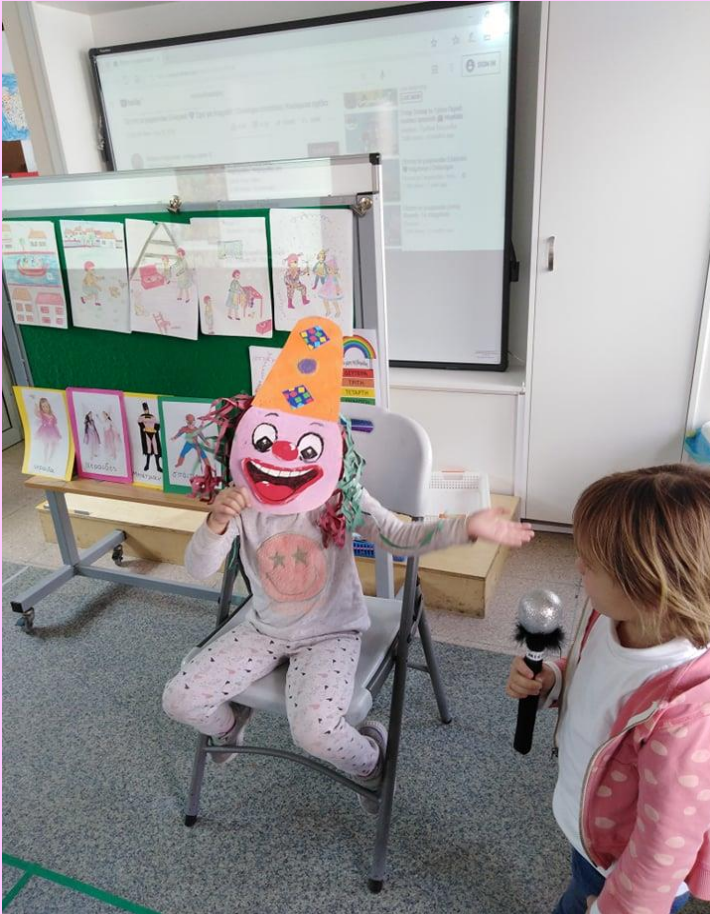

We shared our smiles and with photos that we send to children with rare diseases

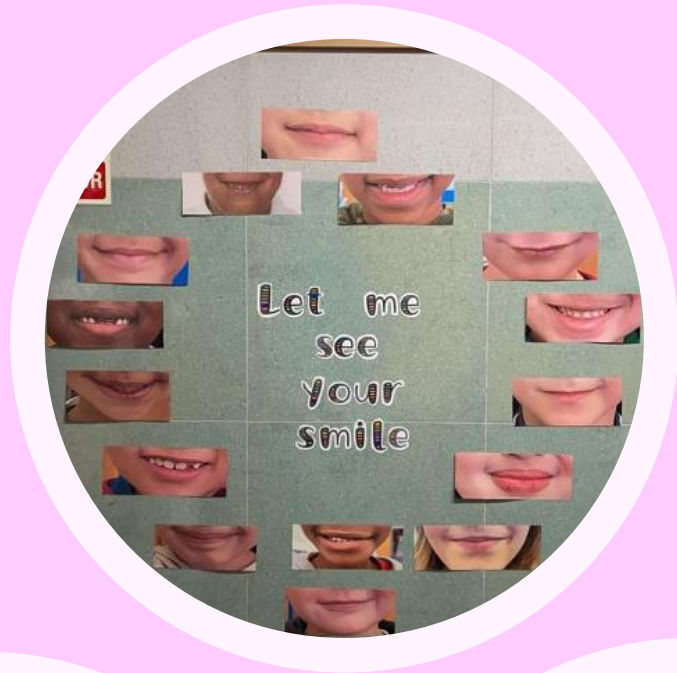

We collected clothes and toys in our school, and we gave them to a nonprofit organization to take them and give smiles to those that they need them!

What is hidden behind a clown's smile? Role playing "Hot chair technique"

Sharing smiles with our partners schools!

A nice smiling postcard came as a gift by the School of Germany!!!

A *smile* is a curve that sets
EVERYTHING STRAIGHT

Phyllis Diller

A great
quote that
we must
remember!
