

MY
EXPERIENCE
WITH

ERASMUS

The first day was about knowing what Erasmus is. I was informed by my English teacher that I was now part of the project.

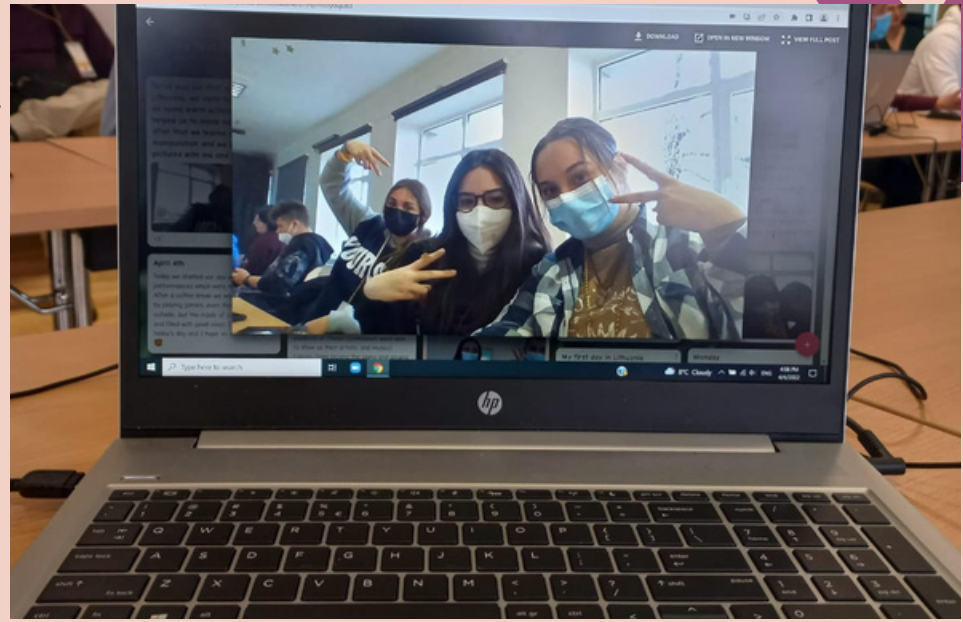

Erasmus+

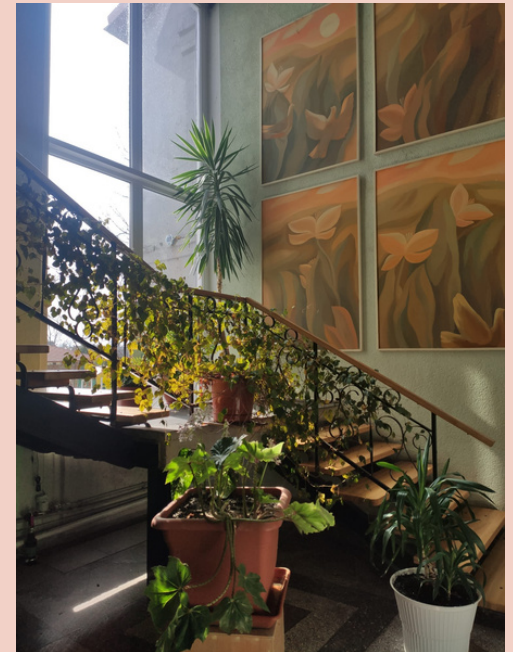

In Erasmus project, I was in Lithuania with 2 other friends, IT.WAS.A-MA-ZING. In the first day, Monday, some beautiful and kind girls presented us the school and the views of Skuodas.

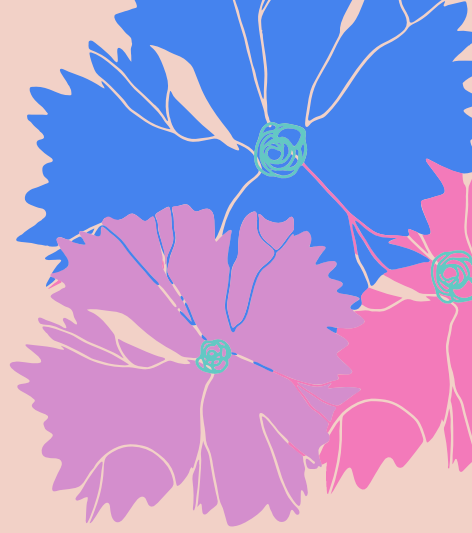

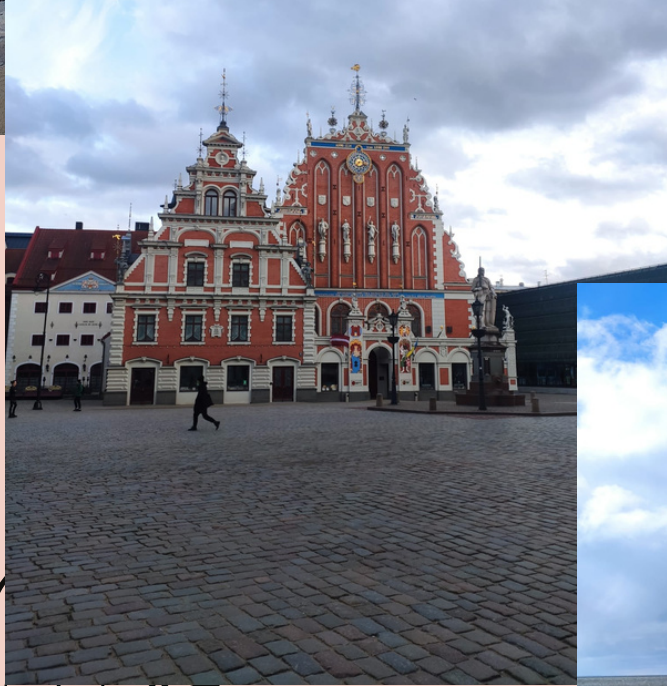

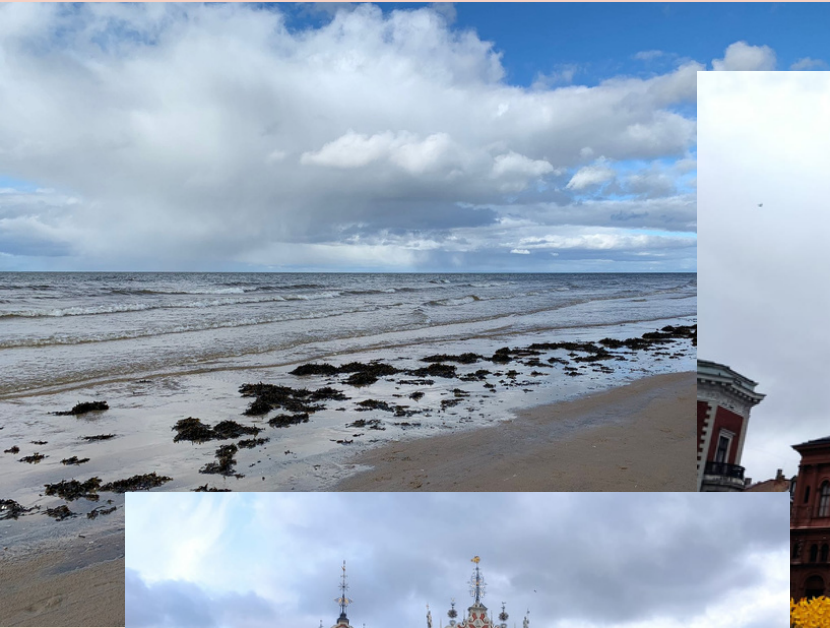

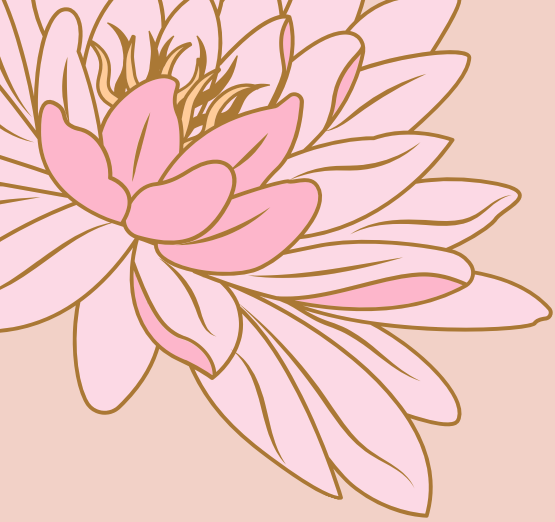

In this project, I practiced my English, made some friends, and learned about other cultures. I enjoyed taking part of this wonderful project!

Now, I want to show you some of the photos that I took in Lithuania

Thank you for watching!
