

PROTYPO GYMNASIO ZOSIMAIA SCHOOL

Agenda 2030: That's our challenge!

Co-funded by the Erasmus+ Programme of the European Union

Academic Excellence:

An Educational Challenge

Our school PROTYPO GYMNASIO ZOSIMAIA SCHOOL is one of five Model School Units (Protypa) of our country

The Greek word "Protypo"

"Protypo": a composite word from the words "pro" and "type".

It means someone or something that works as a model and exemplary pattern.

"Protypo" School

Concerning education, a "protypo" school is one where:

- innovative teaching methods are implemented
- highly qualified teachers and top students get involved
- achieving academic excellence is a process of both formal and informal education

The importance of excellence

- Enhancement of classroom experiences and a deeper understanding of the curriculum.
- Development of self-confidence, persistence and leadership abilities.
- Development of an attitude of social responsibility and an understanding of cultural and intellectual differences.

Ways to approach excellence

- Challenging and coherent curriculum
- Motivational and inspired teaching
- -Participation in contests, competitions etc.
- Attending of lectures, concerts, art exhibits, theatrical performances, seminars, and other cultural activities
