I liked (that)...	
<ul style="list-style-type: none"> - the scavenger hunt - food - boat tour - free time - the bus - to meet people - the beer - the weather - we could see many monuments in Berlin 	<ul style="list-style-type: none"> - the visit to Ökowerk was perfect - it was all well planned, rich in various activities and exact in time limits - the weather was great!
That could have been improved...	
<ul style="list-style-type: none"> - the plan of the week - presentations - presentations - the food - the German presentations 	<ul style="list-style-type: none"> - transport organization

I didn't like (that)...	
<ul style="list-style-type: none"> - the EPIZ - the presentations - presentations - it's too full in the train/city - plan was strict - the school is far away 	<ul style="list-style-type: none"> - the workshop at the Epiz (on Wednesday) was too long lasting and rather boring - the eco-audit was after the visiting activities
I learned (that/about)...	
<ul style="list-style-type: none"> - more about Berlin - German words - recycling - recycling - different cultures - fair-trade - ice-skating - the language system - how to make sustainable cosmetics - how to make sustainable cosmetics 	<ul style="list-style-type: none"> - you can improve the education doing new project as you do in your school (CSO)
I missed/ We didn't have enough time for...	
<ul style="list-style-type: none"> - free time - free time - free time - free time -> the program was too long - doing something in the whole group - sightseeing - to visit all the places in Berlin 	<ul style="list-style-type: none"> - visiting other important sights... however, comparing to other mobilities, the time was better available
