Le mots-clé ravisseme feuille sécl cabane       roche écar étang désé clocher sol tourmente régions inc

Qu'il fallait une caban un étang désert.

Le clocher : s'élevant a a souvent attiré mes regards.

Souvent j'ai suivi des yeux les oiseaux de passage qui volaient au dessus de ma tête.

Je sentais que je n'étais moi-même qu'un voyageur.

Sa immigration peut être la mort.

« Levez-voi orages dés qui devez emporter René dans les espaces d'une autre vie ».

Les pluies tombaient en torrent sur mon toit.

Il me semblait que la vie redoublait au fond de mon cœur.

Je marchais le visage enflammé.

Ne sentant ni pluie ni frimas
