

HELLO EVERYBODY

I am Anna Valle. I attend the Tintoretto Secondary school in Grantorto, I am 13 years old. I like swimming, dancing, eating ice creams and meeting my friends. I live in Grantorto with my family: my mum, my dad, my brother, my sister and I.

SPORT

I like sports, in particular hip hop and skiing. I practiced hip hop for two years but this year I haven't continued. I practice ski with my dad and my brother; my mum and my sister don't like this sport. My favourite holiday is the white week!

FRIENDS

I love to spend my free time with my friends. I like cycling in Grantorto with them, talking and listening to music. My best friend is Melissa, she is an Italian girl. Melissa is 13 years, she is thin and tall, she has long brown hair (I like her hair so much).

FOOD

I love Italian food! My favourite food is pizza with tomato sauce, mozzarella cheese and French fries! I also really like ice cream, pasta with eggs and bacon (the carbonara), courgettes and cakes! My favourite cakes are the tiramisu (with cocoa, eggs, biscuits, mascarpone cheese, coffee, sugar) and chocolate cakes. I also like Japanese food and American food.

SCHOOL AND SUBJECTS

I like going to school, I am very happy with my class and I love all my classmates very much. My favourite subjects are Italian, French, English and Science, I don't like Music and Technology.

My family is composed of five people: my mum, my dad, my brother, my sister and I. My mum's name is Laura, she is 45 years, she likes swimming and listening to music; my dad's name is Stefano, he is 49 years, his favourite sports are ski and basket-ball.
