

Hi,
My name's Karol. I'm

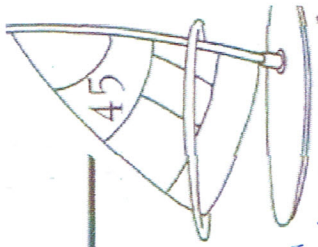

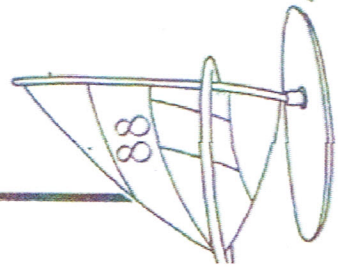

thirteen years old and I'm
a student at

Juniors High School No. 3 in
Geszow.

I really like football and basketball.
My favourite football player is Leo Messi.
My friends love computer games, I like it
too. My other interests are music and chatting
online. I'm really into listening to hip hop
music and martial arts.

What about you? Have you got hobbies
or interests?

Bye for now
Karol
