Clearer instructions

I think it was good!

Really good

I don't know

It was not bad but everybody know that it will be better face to face in reality.

I really enjoyed our meetings and I think that everything about them was good. I can't wait for another meetings. I'm happy because thanks to them I met a lot of new friends.

Everything was good but obviously there were wifi problems and such which were an inconvenience.

it was great

What new information / skill did you acquire?

About the mythology things some history

I would say the interaction skills and i learned about different apps.

Things about Croatia , poland... with the escaperoom

I really don't know

It was very interesting topic and I was so interesting to listen about it and get to know some new things, also getting new friends was so cool.

I can work in Pixton.

Learned a lot about other countries and how to be more cautious with the environment. I also gained communication skills and leadership skills.

my english has improved

Escape room

Escape room!!!

Escaperoom

Escaperoom, metaverse, ice breaking activities

I had amazing group of girls in my team I was so happy to work with them.

I liked that all the students could work together with some nice projects like escape room or slavic mythology.

How challenging they were and that it made everyone works together

making friends

Escape room was THE BEST, it was so much fun and I actually learned a lot. Other
