

# VIDEO CONFERENCE 28 APRIL 2021

9:55 – 10:15

we will meet in this general room <https://meet.google.com/pbe-hmhz-gmz> .

Everybody briefly introduces themselves: first the teachers then the students give their names, age + one interesting fact about themselves. For example, “my name is Robert, I’m 16 and I practise Taekwondo”. We will start with the members of group 1, then 2, etc ...

10:15 – 10:35

Each group meets in their private videoconference room. You will find the links in the table below (see pages 2 and 3). The French student who created the room will have to accept the Spanish students in as they are not part of our school. Discuss together your group topic. Choose a French and a Spanish reporter who will be in charge of summing up what you have discussed for the whole class.

In case of a problem, you can find the teachers in the general room (see above).

10:35 – 10:50

Everybody comes back to the main room: <https://meet.google.com/pbe-hmhz-gmz>  
Each group tells the class what they have learnt in the discussion.  
If time, we’ll play Kahoot about the stories.
