

WHAT IS THE PLACE SEEN FROM THE DRAGON BRIDGE CALLED?

Traditionally, it has been a place for the locals to meet and enjoy themselves together.

It's a place where you can get dry-cured meat products, fresh meat, homemade bread baked in the wood-fired oven, homemade biscuits and other sweet baked goods, various kinds of homemade cheese, dried fruits and nuts, homemade olive and pumpkin seed oil and much more.

It is well known for its colonnade designed by Ljubljana's famous architect Jože Plečnik.
