

“INSIDE OUT”

2019-I-NL01-KA229-060290_6

The LTTA in Moimenta da Beira has been postponed *sine die*. This LTTA would take place from May 11th to 15th, under the Erasmus + project, KA229, **Inside Out**, which covers 6 countries: Holland, Slovakia, Turkey, Poland, Ireland, as well as Portugal, of course.

It must be also added that, in the meantime, it had been decided that, in September, an LTTA would be implemented in Banagher, Ireland, but it was obviously cancelled due to all the constraints related to the current pandemic situation.
