

How to make a pennant?

Take a A4
paper sheet

Bent in the
middle

Cut it.

Ask a pupil to
decorate it... you
can do the other
side if you want!
Don't forget to
sign it!!

During our meeting in Besançon, we will sew on a ribbon all the pennants from all the schools...And we will hang it in the school for « souvenir » of the meeting!

THANK YOU !
