

Erasmus + activity sheet

Title: What fear1

Age of the students: 5 years

Objectives:

- Represent fear with a puppet.
- Use oral language to express fear.

Necessary material:

- EVA rubber or foamy, two colours: white and blue.
- Clean pipes.
- Glue.
- Scissors.,

Development of the activity:

The students will cut the pieces drawn by the teacher in the rubber eva.

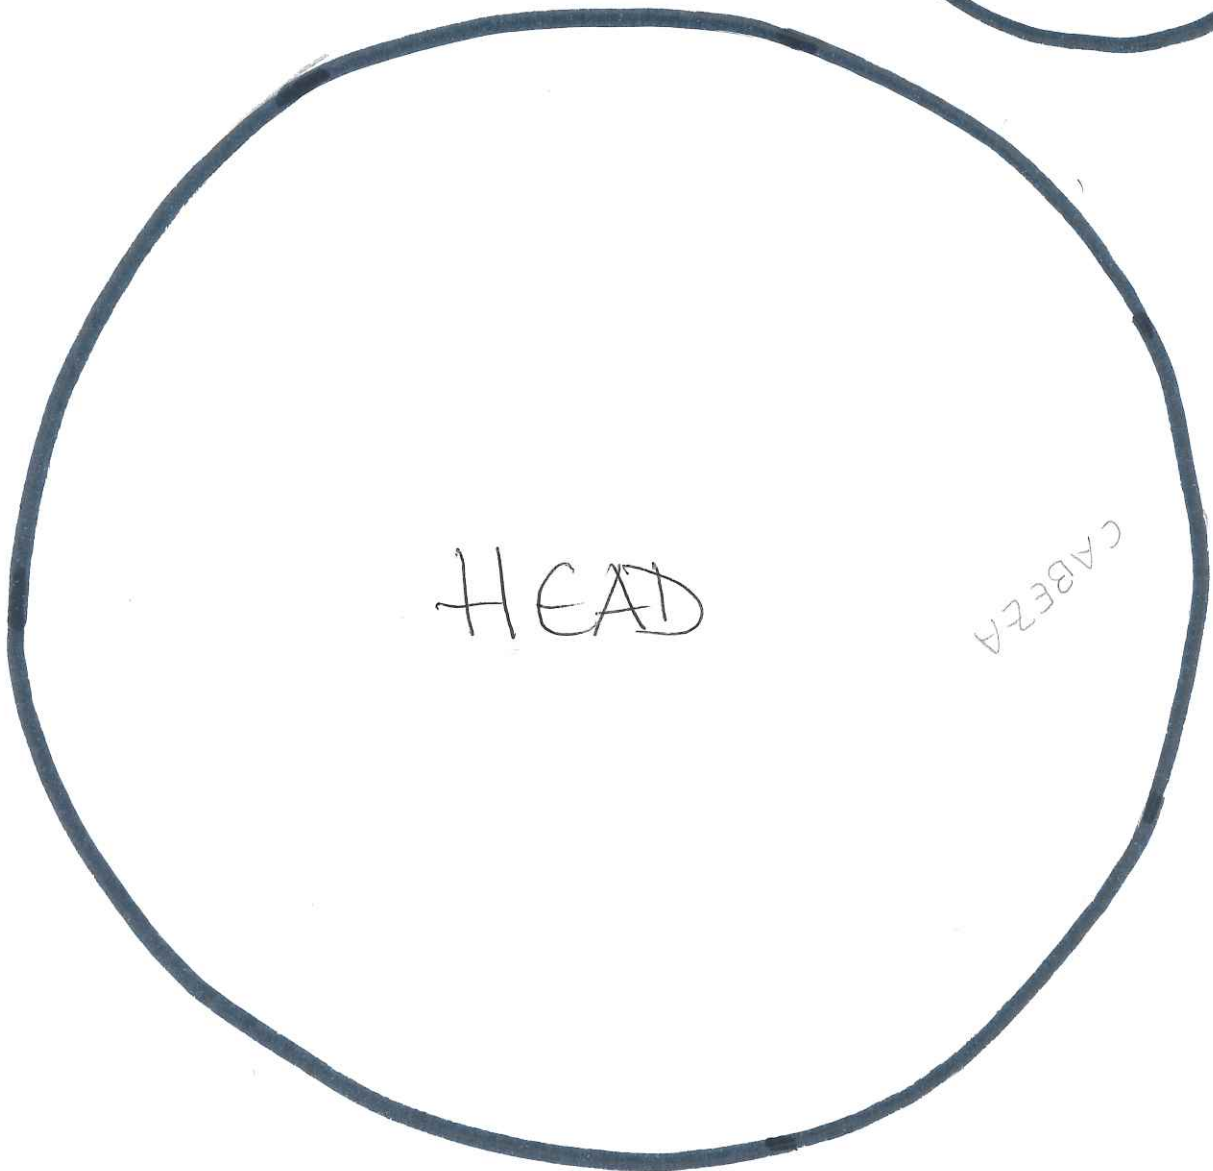

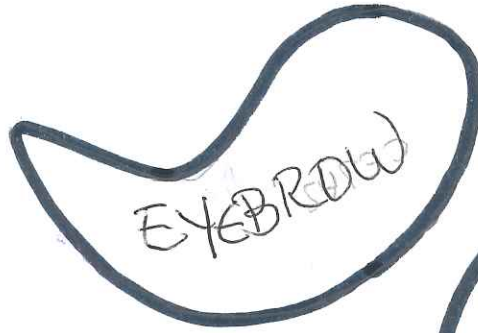

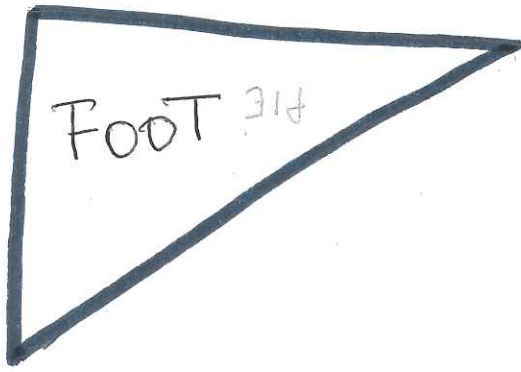

Helped by the teacher, they will stick the pieces together to form the puppet.

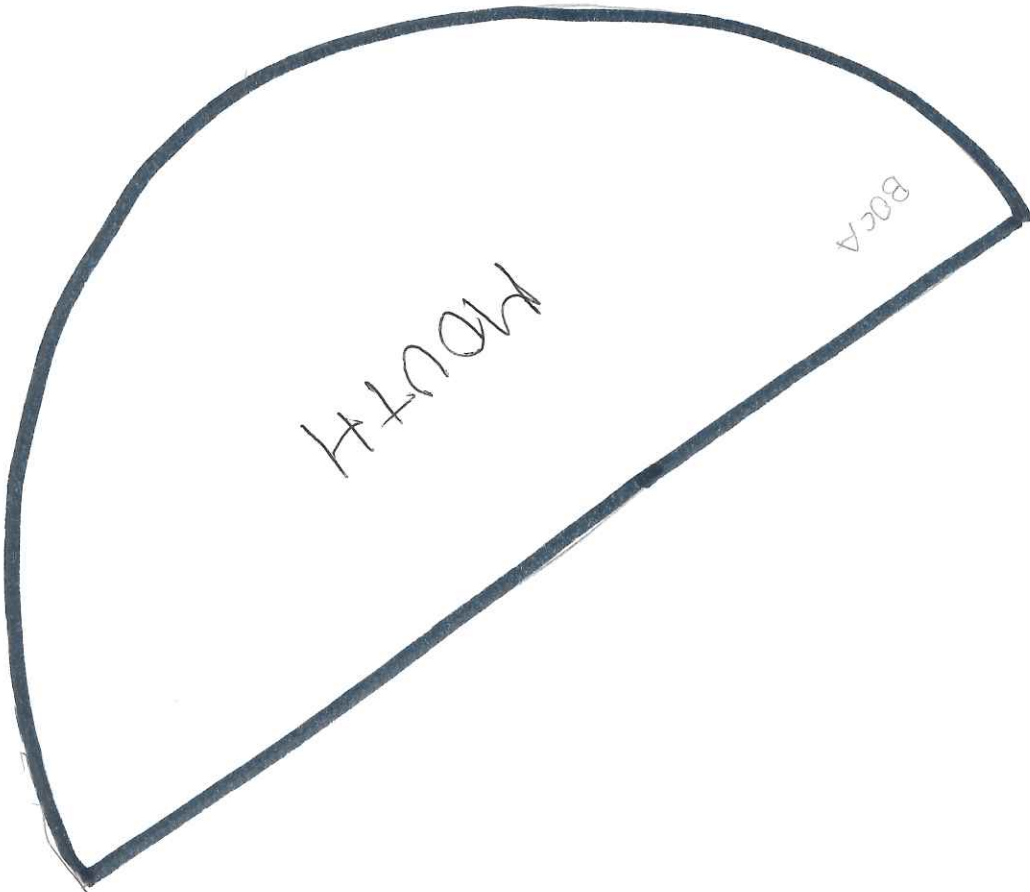

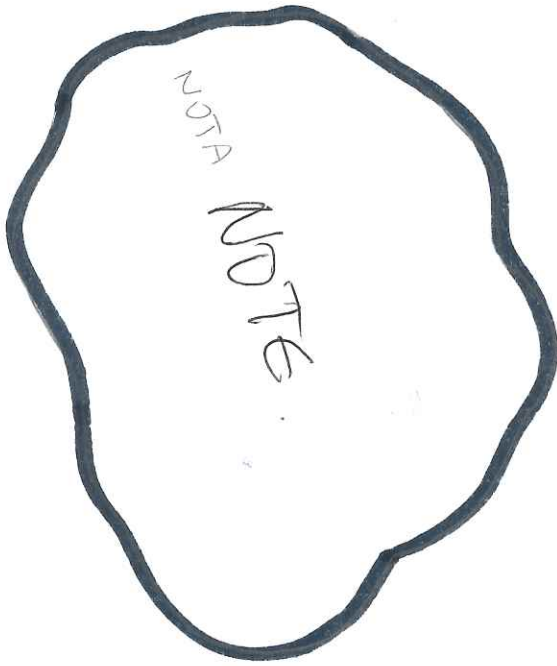

Once finished, they will use it to express fear with a phrase.
